

EGEA Working Group 6 (WG6) Brake & Suspension Test Equipment

Dear Members,

On behalf of the Chairman of Working Group 6, Frank Beaujean, we have the pleasure in inviting you to the meeting of Working Group 6 of the European Garage Equipment Association, to be held on:

Thursday 18th June 2015, 10h00 – 16h30

“New” EGEA offices

Boulevard de la Woluwe, **60**
BE- 1200 Brussels – Tel: +32 2 761 95 10

Please find hereunder the draft agenda.

Draft Agenda (Rev00)

1. Opening and welcome by the Chairman
2. Approval of the minutes of the last Working Group 6 meeting held on 20th November 2013 in Brussels
3. PTI Directive 2014/45/EU – Next steps and implementation at national level

From the EGEA-Information letter May 5th, 2014:

“As this new PTI Directive 2014/45/EU will be implemented by each Member State at their national level and that the Commission is required to adopt implementing acts on a number of issues, including: braking equipment, steering, visibility, lamps, reflectors, electrical equipment, axles, wheels, tyres, suspensions, chassis, chassis attachments, test methods, and the data format, we will discuss further steps and ensure coordination at EGEA level at our next Working Group meeting on PTI.”

One Year after publication we should identify and prioritize the working EGEA WG6 topics and mutually share the information about the national activities of the implementation act.

- 3.1. Identification of topics of interest for EGEA WG6 (see **highlights** of attachment 1)
 - 3.2. Mutual Information: Implementation activities in the member states
 - 3.3. Definition of WG6 activities
4. EGEA Market Study (Wolk/Leo-Impact) (See attachment 2)
 - 4.1. WG 6 product list
 - 4.2. Actual status of the participating companies
 - 4.3. Definition of WG6 activities

5. Suspension testing (See attachment 3)

- 5.1. Information and discussion of the results of the meeting held on 29th January 2015
- 5.2. Decision on EGEA official statement
- 5.3. WG6 project funding
- 5.4. Next steps

6. CEN TC301/WG11 – Drafting of standard for the safety of roller brake testers for vehicles (> 3,5 tons GVW)

- 6.1. Actual status quo
- 6.2. Definition of WG 6 activities

7. New EGEA Working Group rules

8. Next meetings, frequency and location.

* * *

We are looking forward to seeing you numerously in our offices for this Working Group,

With kind regards,

Eléonore van Haute
EGEA Secretary General
